§ 3005. Farmers' Market Promotion Program

(a) Establishment

The Secretary shall carry out a program, to be known as the "Farmers' Market Promotion Program" (referred to in this section as the "Program"), to make grants to eligible entities for projects to establish, expand, and promote farmers' markets.

(b) Program purposes

(1) In general

The purposes of the Program are-

- (A) to increase domestic consumption of agricultural commodities by improving and expanding, or assisting in the improvement and expansion of, domestic farmers' markets, roadside stands, community-supported agriculture programs, and other direct producer-to-consumer market opportunities; and
- (B) to develop, or aid in the development of, new farmers' markets, roadside stands, community-supported agriculture programs, and other direct producer-to-consumer infrastructure.

(2) Limitations

An eligible entity may not use a grant or other assistance provided under the Program for the purchase, construction, or rehabilitation of a building or structure.

(c) Eligible entities

An entity shall be eligible to receive a grant under the Program if the entity is—

- (1) an agricultural cooperative;
- (2) a local government;
- (3) a nonprofit corporation;
- (4) a public benefit corporation;
- (5) an economic development corporation;
- (6) a regional farmers' market authority; or
- (7) such other entity as the Secretary may designate.

(d) Criteria and guidelines

The Secretary shall establish criteria and guidelines for the submission, evaluation, and funding of proposed projects under the Program.

(e) Authorization of appropriations

There are authorized to be appropriated such sums as are necessary to carry out this section for each of fiscal years 2002 through 2007.

(Pub. L. 94–463, §6, as added Pub. L. 107–171, title X, §10605(a), May 13, 2002, 116 Stat. 513.)

PRIOR PROVISIONS

A prior section 3005, Pub. L. 94–463, §6, Oct. 8, 1976, 90 Stat. 1983; Pub. L. 103–487, §4(a)(8), Nov. 2, 1994, 108 Stat. 4582, related to review of activities by Secretary and annual report to Congress, prior to repeal by Pub. L. 105–362, title I, §101(d)(1), Nov. 10, 1998, 112 Stat. 3281.

§ 3006. Authorization of appropriations

- (a) For purposes of carrying out section 3003 of this title, there are authorized to be appropriated such sums as are necessary.
- (b) For purposes of carrying out the provisions of section 3004 of this title, there is authorized to be appropriated \$1,500,000 for each of the fiscal years ending September 30, 1977, and September 30, 1978.

(Pub. L. 94–463, §7, Oct. 8, 1976, 90 Stat. 1983; Pub. L. 105–362, title I, §101(d)(2), Nov. 10, 1998, 112 Stat. 3281.)

AMENDMENTS

1998—Subsec. (a). Pub. L. 105–362 substituted "section 3003" for "the provisions of sections 3003 and 3005".

§ 3007. Seniors farmers' market nutrition program

(a) Establishment

The Secretary of Agriculture shall use \$5,000,000 for fiscal year 2002, and \$15,000,000 for each of fiscal years 2003 through 2007, of the funds available to the Commodity Credit Corporation to carry out and expand a seniors farmers' market nutrition program.

(b) Program purposes

The purposes of the seniors farmers' market nutrition program are—

- (1) to provide resources in the form of fresh, nutritious, unprepared, locally grown fruits, vegetables, and herbs from farmers' markets, roadside stands, and community supported agriculture programs to low-income seniors;
- (2) to increase the domestic consumption of agricultural commodities by expanding or aiding in the expansion of domestic farmers' markets, roadside stands, and community supported agriculture programs; and
- (3) to develop or aid in the development of new and additional farmers' markets, roadside stands, and community supported agriculture programs.

(c) Regulations

The Secretary may issue such regulations as the Secretary considers necessary to carry out the seniors farmers' market nutrition program.

(Pub. L. 107–171, title IV, §4402, May 13, 2002, 116 Stat. 334.)

CODIFICATION

Section was enacted as part of the Food Stamp Reauthorization Act of 2002 and also as part of the Farm Security and Rural Investment Act of 2002, and not as part of the Farmer-to-Consumer Direct Marketing Act of 1976 which comprises this chapter.

EFFECTIVE DATE

Section effective Oct. 1, 2002, except as otherwise provided, see section 4405 of Pub. L. 107–171, set out as a note under section 1161 of Title 2, The Congress.

SUBCHAPTER I—FINDINGS, PURPOSES, AND DEFINITIONS

§ 3101. Purposes of agricultural research, extension, and education

The purposes of federally supported agricultural research, extension, and education are to—

- (1) enhance the competitiveness of the United States agriculture and food industry in an increasingly competitive world environment:
- (2) increase the long-term productivity of the United States agriculture and food industry while maintaining and enhancing the natural resource base on which rural America and the United States agricultural economy depend;
- (3) develop new uses and new products for agricultural commodities, such as alternative fuels, and develop new crops;
- (4) support agricultural research and extension to promote economic opportunity in rural communities and to meet the increasing demand for information and technology transfer throughout the United States agriculture industry;
- (5) improve risk management in the United States agriculture industry;
- (6) improve the safe production and processing of, and adding of value to, United States food and fiber resources using methods that maintain the balance between yield and environmental soundness:
- (7) support higher education in agriculture to give the next generation of Americans the knowledge, technology, and applications necessary to enhance the competitiveness of United States agriculture; and
- (8) maintain an adequate, nutritious, and safe supply of food to meet human nutritional needs and requirements.
